Declaration of Compliance

EU sanctions against Russia and Belarus.

The EU Council regulations aim is to prevent stainless steel imported into EU, originating in Russia or Belarus.

Inox hereby confirms to comply with EU regulation 833/2014 regarding direct or indirect import, purchase or distribution of stainless steel products listed in Annex XVII.

Inox refrains from, direct or indirect, import, purchase or distribute stainless steel originating in Russia or Belarus.

Inox is taking all possible and relevant steps to ensure that our suppliers comply with the same regulations.

Beside from the above we are unable to provide any additional confirmation and appreciate your understanding of this.

Inox A/S
